Dear Sir:

On December 28, 1988 Castle Gate Coal Company filed a petition to Protect Its Right Appeal for Review and Hearing of Mid-term Permit Review Act/007/004. This petition was filed because of the unacceptable stipulation and condition contained in the Division of Oil, Gas and Mining's November 29, 1988 letter to Castle Gate Coal Company concerning the mid-term permit review.

On January 5 and 6, 1989 extensive discussions resulted in a revision of the stipulation contained in the November 29, 1988 letter. Based on the agreements reached during these discussions and the subsequent revised stipulation, Castle Gate Coal Company hereby withdraws this petition.

Should you have any questions, please feel free to contact me.

Sincerely,

Steven R. Youngbauer
