Dear Mr. Haddock,

As per our telephone conversation on Wednesday, October 3, 1990, I have enclosed the information that you had requested.

The following changes and additions to CGCC's permit should be made to accommodate the new data. Pages 16, 17, and 18 should be taken out and replaced with the revised pages enclosed. I have also enclosed the most current list of Notice of Violations for all AMAX Coal Company's mines. The list should be inserted behind the last page in Chapter II. A revised Table Of Contents that reflects that additional list of Notice of Violation is also enclosed. Lastly, CGCC's Certificate of Liability should be replace with the enclosed current certificate.

Should you have any questions or need additional information, feel fee to call me at (812) 421-3966.
