Re: Blackhawk Coal Co-Willow Creek Site 4.2 Acres-Leased to EIS

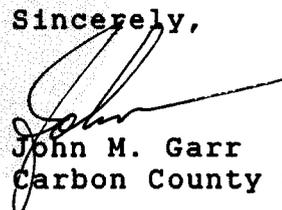

Dear Dianne:

It has been brought to my attention that OSM has made a determination dated March 20, 1991 that "there is not a demand for storage areas in the towns of Helper or Price."

This is not true. As Vice-Chairman of the Carbon County Commission, I see a definite need for industrial/commercial land use for this site.

This land use was approved by a resolution of the Carbon County Planning & Zoning Commission on November 14, 1989, after a complete and thorough investigation.

Sincerely,

John M. Garr
Carbon County Commission
