Dear Mr. Buck:

Re: NOV N91-28-2-1, Division Order Dated December 18, 1990, Amax Coal Company, Castle Gate Mine, ACT/007/004, Folder #5, Carbon County, Utah

As you are aware the Division renewed the permit for the Castle Gate Mine on December 24, 1990. A condition to that permit renewal required compliance with the Division Order dated December 18, 1990. The Division is appreciative of the work Amax has done thus far in regard to the Order, however, not all items have been completed. The Division has no alternative but to take enforcement action at this time, which will require completion of the Division Order.

The specific items that you will need to address are as follows: 2, 3, 4, 5, 6, 13, 14, 16, 17, 18, 19, 23, 25. Item 24 is handled under separate cover. Please see the attached technical memos which further describe problems with the above referenced items.

Your help in completing the Division Order is appreciated. If you have any questions don't hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
