RE: Division Order No. 92A, Castle Gate Mine

Dear Lowell:

Castle Gate Mine is requesting an extension of the June 5th submittal date for the permit change required by Division Order No. 92A. Your letter dated May 13, 1992 stated that the Division would grant a 30-day extension to the June 5, 1992 date established in the Division Order. The work load generated by the permit revisions to abate other Division Orders and Notices of Violations necessitates this request for extension.

Since July 4th is a holiday weekend, I propose the submittal date for the permit change be July 7, 1992. Monday, July 6 is the business day that replaces the July 4th holiday that falls on Saturday.

Sincerely,

Richard H. Allison, Jr. P.E.
