Re: NOV 92-39-2-1

Dear Daron,

Pursuant to our meeting today, I am formally requesting an extension of the abatement time for NOV 92-39-2-1 until 15 June 1992. The 15 June date corresponds with the submittal date for the Adit #1 Permit Revision. The data necessary for the remediation for NOV 92-39-2-1 will be included as part of the Adit #1 Permit Revision.

Sincerely,

Richard H. Allison Jr., P.E.
Project Supervisor
