**Re: AMAX Coal Company - Castle Gate Mine
Permit ACT/007/004
Notice of Violation No. N91-18-1-1**

Dear Mr. Haddock,

Enclosed are (12) twelve copies of the As-Built Drawings for the Diversion Ditches located at the Schoolhouse Canyon Refuse Site. The ditch designs have been modified to reflect the changes that were made in the field and Manning's "n" was changed from the original design to reflect the grouted riprap. Also enclosed is a certified inspection report of the Refuse Site.

Should you have any questions concerning this matter, please feel free to contact me at (812) 421-3966.

Sincerely,

Darlene M. Murphy
