RE: Assessment Conference Request for N90-18-2-1, Castle Gate Mine, ACT/007/004, Amax Coal Company, Carbon County, Utah

On December 2, 1991, I contacted Amax Coal Company regarding the contact replacement for James Buck and an Assessment Conference request dated January 24, 1991, for state violation N90-18-2-1. I was referred to Darlene Murphy. When I spoke to Ms. Murphy regarding the Assessment Conference request, she said she wanted to review FTACO C91-38-1-1 and talk to Pat Winmill as to whether they wanted a conference. On December 3, 1991, I received a call from Pat Winmill, Parsons, Behele and Latimer, saying that they probably would not want a conference. Pat said she would be meeting with Darlene Murphy on December 4, and if they wanted an Assessment Conference they would contact me. I ask if they would send some written documentation regarding their decision on the Assessment Conference. On December 23, 1991, I received a check in the amount of \$300 dollars dated December 20, 1991, as payment for violation N90-18-2-1.
