Dear Mr. Allison:

Re: Deficiencies in Sowbelly Canyon Submittal, AMAX Coal Company, Castle Gate Mine, ACT/007/004, Folder #3, Carbon County, Utah

The Division has completed a review of your submittal received on August 18, 1992, intended to satisfy the stipulation under Docket 91-001 for the Sowbelly area. At this time your submittal is not considered adequate. As anticipated a number of deficiencies have been identified which must be addressed. The enclosed technical memos by Randy Harden, Rick Summers, Paul Baker, and Priscilla Burton outline the corrections that need to be made.

Please review the technical memos and respond to the deficiencies as quickly as possible. It appears we are approximately 2 weeks behind our target for completing the review, therefore we consider two weeks added to your schedule for resubmittal is appropriate. If you have questions, please call me or the appropriate member of my staff.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
