3 Triad Center, Suite 350  
Salt Lake City, UT 84180-1203

SUBJECT: Permit 007/004 Revisions #2  
Refuse Area Hydrology  
Castle Gate Coal Mine, Carbon County, Utah.

Dear Daron:

Under the direction of Mr. Lonnie Mills of Cyprus Plateau Mining Corporation, I have enclosed three copies of revisions to the permit change that was submitted on October 11, 1994. That permit change was developed in response to Notice of Violation N94-41-3-1, dated August 24, 1994. Section 3.4 of the permit has been revised to address the outflow from diversion CGD-5 into Barn Canyon.

In addition, we have enclosed 3 copies of Exhibit 7-3 which has been amended to show the U.P.D.E.S. discharge points that are permitted through the Division of Water Quality.

Please call myself or Mr. Mills if you have any questions concerning this submittal.

Sincerely,

William S. Hendrickson, P.E.  
Civil Engineer

cc: Lonnie Mills (Cyprus)
