Dear Mr. Baker:

In accordance with R645-301-888, Requirement to Release Performance Bonds, we consider the backfilling and regrading of the Sowbelly Canyon area to be complete and request that the Division inspect and evaluate the reclamation for Phase I bond release.

Upon notification that backfilling and grading is satisfactory for Phase I release, we will complete the public advertisements and other notifications as required by R645-880.120.

If you have any questions or require additional information, please contact me.

Respectfully,
