Re: Violation No N94-41-1-1
Amax Coal Company
Castle Gate Mine
ACT/007/004

Dear Mr. Helfrich:

I have been assigned reclamation and compliance responsibilities for the Caste Gate Mine as of April 25, 1994.

In your letter dated April 20, 1994, you refer to an enclosed civil penalty reassessment for Violation No. N94-41-1-1. Unfortunately, the reassessment was either misplaced or not received. Please fax or mail a copy of the reassessment to my attention.

A meeting has been scheduled with Mr. Paul Baker on May 19th during which I hope to review the facts of the violation. We request that the reply deadline be extended until after the meeting with Mr. Baker and 7 days after we receive the reassessment.

If you have any questions or require additional information, please call me at (801)636-2250.

Respectfully,

Lonnie Mills
Sr. Environmental Engineer
