SUBJECT: Unofficial copy of significant permit revision package
Castle Gate Coal Mine, Carbon County, Utah.
Permit No. 007/004

Dear Randy:

Transmitted herewith is one copy of a substantially complete permit revision package consisting of the last two years of approved changes to the Castle Gate Coal Mine permit. The enclosed copy contains Sections 3.2, 3.3, 3.4, 3.5, 3.6, and Chapters 7, 8 and 9. The official copies will be transmitted once Chapter 8 is approved by your office.

You will note that the exhibits have not been stamped or certified. Stamping and certification of all the exhibits will transpire the next time Mr. Richard Allison (Amax Coal West) is in town, since some of the exhibits require his certification. Consequently, we request that you keep the document intact so that you can return it to us for certification and insertion of Chapter 8, once it is approved.

Sincerely,

William S. Hendrickson, P.E.
Civil Engineer
