## RECLAMATION AGREEMENT

This **RECLAMATION AGREEMENT** (hereinafter referred to as "Agreement") is entered into by the Permittee.

**WHEREAS**, on \_\_\_\_\_, 19\_\_\_\_, the Division approved the Permit Application Package, hereinafter "PAP", submitted by \_\_\_\_\_, hereinafter "Permittee"; **and**

**WHEREAS**, prior to issuance of a permit to conduct mining and reclamation operations on the property described in the PAP, hereinafter "Property", the Permittee is obligated by Title 40-10-1, et seq., Utah Code Annotated (1953, as amended), hereinafter "Act", to file with the Division a bond ensuring the performance of the reclamation obligations in the manner and by the standards set forth in the PAP, the Act, and the State of Utah Division of Oil, Gas and Mining Rules pertaining to Coal Mining and Reclamation Activities, hereinafter "Rules"; **and**

**WHEREAS**, the Permittee is ready and willing to file the bond in the amount and in a form acceptable to the Division and to perform all obligations imposed by the Division pursuant to applicable laws & regulations relating to the reclamation of the Property; **and**

**WHEREAS**, the Division is ready and willing to issue the permittee a mining and reclamation permit upon acceptance and approval of the bond.

**NOW, THEREFORE**, the Division and the Permittee agree as follows:

1. The provisions of the Act and the Rules are incorporated by reference herein and hereby made a part of this Agreement. Provisions of the Act or Rules shall supersede conflicting provisions of this Agreement.
2. The Permittee agrees to comply with all terms and provisions of the PAP, the Act and the Rules, including the reclamation of all areas disturbed by surface coal mining and reclamation operations despite the eventuality that the cost of actual reclamation exceeds the bond amount.
3. The Permittee has provided a legal description of the property including the number of acres approved by the Division to be disturbed by surface mining and reclamation operations during the permit period. The description is attached as Exhibit "A", and is incorporated by reference and shall be referred to as the "Surface Disturbance".
4. The Permittee agrees to provide a bond to the Division in the form and amount acceptable to the Division ensuring the performance of the reclamation obligations in the manner and by the standards set forth in the PAP, the Act and the Rules. Said bond is attached as Exhibit "B" and is incorporated by reference.

### RECLAMATION AGREEMENT

5. The Permittee agrees to maintain in full force and effect the public liability insurance policy submitted as part of the permit application. The Division shall be listed as an additional insured on said policy.
6. In the event that the Surface Disturbance is increased through expansion of the coal mining and reclamation operations or decreased through partial reclamation, the Division shall adjust the bond as appropriate.
7. The Permittee does hereby agree to indemnify and hold harmless the State of Utah and the Division from any claim, demand, liability, cost, charge, or suit initiated by a third party as a result of the Permittee or Permittee's agent or employees failure to abide by the terms and conditions of the approved PAP and this Agreement.
8. The terms and conditions of this Agreement are non-cancelable until such time as the Permittee has satisfactorily, as determined by the Division, reclaimed the Surface Disturbance in accordance with the approved PAP, the Act, and the Rules. Notwithstanding the above, the Division may direct, or the Permittee may request and the Division may approve, a written modification to this Agreement.
9. The Permittee may, at any time, submit a request to the Division to substitute the bonding method. The Division may approve the substitution if the bond meets the requirements of the Act and the Rules, but no bond shall be released until the Division has approved and accepted the replacement bond.
10. Any revision in the Surface Disturbance, the bond amount, the bond type, the liability insurance amount coverage, and/or the liability insurance company, or other revisions affecting the terms and conditions of this Agreement shall be submitted on the form entitled "Stipulation to Revise Reclamation Agreement" and shall be attached hereto as Exhibit "D" (other exhibits as appropriate).
11. This Agreement shall be governed and construed in accordance with the laws of the state of Utah. The Permittee shall be liable for all reasonable costs incurred by the Division to enforce this agreement.
12. Any breach of the provisions of this Agreement, the Act, the Rules, or the PAP may, at the discretion of the Division, result in enforcement actions by the division which include but are not limited to, an order to cease coal-mining and reclamation operations, revocation of the Permittee's permit to conduct coal mining and reclamation operations and forfeiture of the bond.

**RECLAMATION AGREEMENT**

- 13. In the event of forfeiture, the Permittee agrees to be liable for additional costs in excess of the bond amount which may be incurred by the Division in order to comply with the PAP, the Act, and the Rules. Any excess monies resulting from the forfeiture of the bond amount upon compliance with this contract shall be refunded as directed by the permittee or, if a dispute arises, as directed by a court of competent jurisdiction by interpleading the funds subject to the dispute.
  
- 14. Each signatory below represents that he/she is authorized to execute this Agreement on behalf of the named party. Proof of such authorization is provided on a form acceptable to the Division and is attached hereto.
