Re: Five-Year Permit Renewal Application, Castle Gate Mine, Amax Coal Company, ACT/007/004-94C, Folder #2, Carbon County, Utah

Dear Mr. Mills:

The Division has reviewed the permit renewal application for the Castle Gate Mine. The current bond for the Castle Gate Mine must be escalated, i.e. to \$4,415,505 (year 2000 dollars). Upon receipt of the surety rider to increase the amount of the bond and the executed Reclamation Agreement for the Castle Gate Mine, the Division will determine this permit renewal application complete.

Due to publication notices required for permit renewal, the surety and Reclamation Agreement must be received at the Division no later than October 24, 1994. If you have any questions, please call me.

Sincerely,
