RE: REACTIVATION OF CASTLE GATE MINE PREPARATION PLANT AREA FACILITIES

ACT/007/004 #2

Dear Mr. Haddock,

Copy Daron and Joe

This letter is to notify the Division that Cyprus Plateau Mining Corporation plans to reactivate the Castle Gate Mine preparation plant area facilities. The reactivation will primarily be for rehabilitation work on existing structures and equipment to bring them up to operational condition. There will be no construction of new facilities associated with the proposed Willow Creek Mine until the permits have been approved.

The work will consist of but will not be limited to the following activities:

- Cleaning buildings
- Rehabilitating motors, preparation plant equipment, and minor modifications to other equipment
- Repairing damaged structures and equipment
- Placing coal waste from the Willow Creek face-up
- Cleaning raw water pond
- General housekeeping

If you have any questions regarding this notice, please call.

Respectfully,
