Re: Extension to April 14, 1995, deadline for Annual Report

Dear Mr. Braxton:

Cyprus Plateau Mining Corporation (CPMC) is requesting a 30 day extension for submitting its annual report. Due to the permitting activities involving the Willow Creek Mine and Lonnie Mills' departure, CPMC will not be able to submit its annual report by April 14, 1995.

As you are aware, CPMC is preparing to submit its permit application package for the Willow Creek Mine by April 20, 1995, and as a result, Ben Grimes has been unavailable to address those topics needing his input and assist me in preparing the annual report. In addition, Lonnie Mills has accepted a position in Arizona, thereby requiring me to become familiar with the permitting and reclamation activities associated with the Castle Gate Permit by the time he leaves on April 7.

If you have any questions, please do not hesitate to contact me and 636-2289.

Sincerely,

Johnny Pappas  
Environmental Engineer
