SUBJECT: Permit 007/004 Revisions  
Sowbelly Canyon, Section 3.2  
Castle Gate Coal Mine, Carbon County, Utah.

Dear Daron:

*ACT/007/004 #2*

Under the direction of Mr. Lonnie Mills and Mr. John Borla of Cyprus Plateau Mining Corporation, I have enclosed ten copies of the permit revisions associated with alternative sediment control measures for Sowbelly Canyon. Those revisions were approved in your letter dated January 11, 1995.

*94H*

The following items should be inserted into the permit as a result of these revisions:

- Section 3.2, Table of Contents
- Section 3.2, text
- Section 3.2, tables

You requested that the locations of the sediment control measures, as they were installed, be indicated on the as-built reclamation maps. The as-built maps have been revised and will be submitted with the as-built hydrology calculations under separate cover.

Please call myself or Mr. Mills if you have any questions.

Sincerely,

William S. Hendrickson, P.E.  
Civil Engineer
