Dear Mr. Pappas:

The permit changes submitted on April 20, 1995 were approved on May 26, 1995 with the exception of Chapter 2 information and minor deficiencies identified in the Technical Analysis, dated May 23, 1995. Chapter 2 and the minor corrections are now approved for incorporation into the Castle Gate Mine Mining and Reclamation plan.

Please submit ten finalized copies of Chapter 2 and the minor corrections by August 25, 1995. If you have any questions, please call me.

Sincerely,
