RE: Submittal of changes to Castle Gate Mine Water Monitoring Plan  
Amax Coal Company, ACT/007/004-96A Folder No. 2

Dear Mr. Baker,

Pursuant to a request by Johnny Pappas of Cyprus Plateau Mining we are submitting a copy of selected pages from Chapter 7, Hydrology and Exhibit 7-3 for your review. Additional copies will be submitted upon your approval of the changes or at your request.

The third paragraph on Page 7-49 (January 1996) was removed due to conflicts with actual surface water sampling methods. The revised Page 7-49 has been resubmitted with this letter.

Should you have any questions, contact either myself or Johnny Pappas and thank you for your assistance.

Sincerely,

Vicky S. Bailey
