Re: Revised Water Monitoring Plan, Amax Coal Holding Company, Castle Gate Mine,  
ACT/007/004-96A, Folders #2 and #3, Carbon County, Utah

Dear Mr. Pappas:

On September 11, 1996, the Division sent you a letter informing you that amendment 96A had been approved. A copy of the amendment to update your copy of the mining and reclamation plan was enclosed. On September 19, 1996, the Division received copies of this amendment from EarthFax Engineering intended to replace the ones already distributed. The new copies are paginated in a way that they can more easily inserted in the mining and reclamation plan. There are no substantive changes to the plan. Enclosed is a new copy of amendment 96A.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. B. Baker'.
