Dear Mr. Pappas:

With reference to your letter of October 22, 1996 regarding your company's reclamation endeavors in Hardscrabble Canyon, please be advised that the road accessing Hardscrabble is a public county Class B road. From our maps this particular Class B road extends .2 of a mile up the canyon from the Hardscrabble Canyon gate.

I hope this information is helpful as you finalize your reclamation plans of this canyon with your regulatory agencies.

Sincerely,

A handwritten signature in cursive script that reads "William D. Krompel".
