Re: Castle Gate Permit Renewal, Castle Gate Holding Company, Castle Gate Mine,
ACT/007/004-PR99 and LF99A-1, Folder #2, Carbon County, Utah

Dear Mr. Pappas:

The Division received the Castle Gate renewal information along with updated legal and financial information on August 24, 1999. Although, the updated information for Castle Gate Holding Company did not include the names, addresses and social security numbers for RAG American Coal Company, this information is in the AVS System (Castle Gate Holding Company is 85% owned and controlled by RAG American Coal Company, 12% owned and controlled by Mitsubishi Development Property Ltd and 3% owned by Mitsubishi International Corporation.)

Information relative to the equitable owner of record of the surface property to be mined (name and address of each) and the name and address of the manager of state lands in the permit area and contiguous areas needs to be updated. Please submit this information by October 12, 1999.

When complete information has been received, the Division will notify you that publication for the permit renewal may proceed. If you have any questions, please call me or Paul Baker.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Pamela Grubaugh-Littig'.
