Dear Mr. Haddock:

Castle Gate Holding Company (CCHC) is requesting an extension to the September 14, due date for responding to the Division's identified deficiencies for the Adit No. 1 reclamation plan. It is CCHC's understanding that the Division will review Mr. Joe Helfrich's identified deficiencies to see if they are just misunderstandings of the approved plan.

If the Division has any questions, please do not hesitate to contact me at (435) 472-4741.

Sincerely,

Johnny Pappas
Sr. Environmental Engineer
