RE: Notification of Application for Phase II Bond Release, Sowbelly Gulch No. 5 Mine, Castle Gate Holding Company, Castle Gate Mine, ACT/007/004, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

Castle Gate Holding Company, in accordance with the provisions of R645-301-880, is hereby applying for Phase II bond release of 18.2 acres for the Sowbelly Gulch (Canyon) No. 5 Mine areas of the Castle Gate Mine. Castle Gate Holding Company believes that Phase II bond release is warranted based on the Permittee meeting the vegetation and water quality requirements in accordance with the approved reclamation plan.

The surety bond posted for the Castle Gate Mine in \$1,071,000 of which \$369,946 is designated for Sowbelly Canyon reclamation. Castle Gate Holding Company is seeking release of \$136,946 from the Sowbelly Canyon portion of the bond. All earthwork and revegetation has been completed on site, except for the removal of an electrical substation and access road.

Copies of letters of notification to land owners, agencies and water companies in the area are enclosed. A copy of the newspaper advertisement to be placed is attached for your review, prior to placement into the newspaper. Once the Division has reviewed and approved the proposed notification, Castle Gate Holding Company will run the advertisement for four consecutive weeks in the local area paper. Proof of publication will be sent to the Division upon completion.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

Johnny Pappas
Sr. Environmental Engineer
