To The Blackhawk LMU
Blackhawk LMU Dissolved

On November 23, 1998, Plateau Mining Corporation (Plateau), designated operator of the Blackhawk Logical Mining Unit (LMU), submitted a modification application to the LMU. The modification application included four Federal coal leases in the Meadowlark LMU application, Federal coal lease UTU-73975, State coal lease ML-1892, Carbon County leases, and fee coal.

By decision of November 13, 2001, the Meadowlark LMU application was withdrawn from the modification application of the Blackhawk LMU effective July 9, 2001.

In a letter signed by Plateau and Blackhawk Coal Company (Lessee), a withdrawal of the remainder of the modification application to the Blackhawk LMU was submitted to this office on April 28, 2003. In the same letter, dissolution of the LMU was requested.
