I have reviewed the package that you faxed us on 5/5/03. All updates have been made in AVS. I discovered a discrepancy on begin date. AVS shows RAG American Coal Holding, Inc. as 100 % owner of RAG American Coal Co begin date 6/18/99. The company document states begin date as 6/30/99. The begin date in AVS was entered by the state of IN. I requested IN SRA to verify the begin date issue.
