Johnny,

Thanks. I uploaded everything for each of the mines and attached reports.

Please let me know if you need anything else.

Dana,

The aforementioned should be ready for beaming-up. Please provide me with "Official Upload Reports". Whoever still doesn't like the Division's means for updating the database has rocks-in-their-heads. If CT&E provides the permittee with the data correctly, the data then goes right into the database as easy as 1-2-3.

Thanks,  
JP
