Hi Mary,

I received the replacement bonds for Castle Gate Mine, Star Point Mine, and Willow Creek Mine. With each bond replacement I need to have an Exhibit "D" - which is an amendment to the Reclamation Agreement stating that the bond is being replaced. This document needs to be signed by the Permittee. Also, each Exhibit "D" must include an Affidavit of Qualification for the Permittee. I have attached all of the required documents. As soon as I receive this information I can forward it on to our Director for signature and I can release the Traveler's bonds to you.

If you have any questions, please feel free to contact me.

Thank you,
Angela Nance
