RE: Notice of Intent to Commence Coal Exploration for Less than
250 Tons, Scofield Mine Project, Carbon County, Utah

Dear Mr. Tetting:

Per our telephone conversation of October 6, 1981, please find enclosed a portion of the additional information requested from the Division of Oil, Gas & Mining (DOGGM) concerning UCO's proposed exploratory drilling program within Winter Quarters Canyon, Carbon County, Utah. In order to expedite DOGM approval, the material concerning the design specifications of our culvert will be sent to you under separate cover by Vaughn Hansen Associates.

Thank you very much for such immediate consideration of our Notice of Intent. I understand, by means of our phone conversation, that you have given us verbal approval, provided the enclosed supplemental information meets your satisfaction, and that you will send us written confirmation of said approval shortly so that we can commence our drilling program on October 19, 1981. Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "J. Chris Carter". The signature is written in dark ink and is positioned above the typed name.
