*Act 1007/005
#3*

Dear Dianne:

The Division has evaluated Utah Fuel Company's July 16, 1985, amendment to their Mining and Reclamation Plan at the Skyline Mine to increase the size of a sedimentation pond. The Division has no concern, but would be anxious to receive a copy of the test results concerning the baffles.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

William H. Geer
