Re: Abatement of NOV N84-2-24-3 (2 of 3)

Dear Ms. Pruitt:

We have received the May 31, 1985 letter from DOGM concerning abatement plans for NOV N84-2-24-3, 2 of 3. This letter was received during a time Keith Zobell was on vacation. Due to the complex nature of the May 31 letter and due to the fact that key people have not been available, we cannot adequately answer it within the allotted time frame. We are, therefore, requesting an extension of time to adequately address the May 31, 1985 letter.

Sincerely,

Glen A. Zumwalt
Vice President & General Manager
