response had been received  
by 14 June in his  
letter

Dear Lowell:

This letter is to confirm my telephone conversation with you on June 12th when I requested an extension in time to answer your May 31, 1985 letter concerning mine water discharge into the sediment pond.

It was verbally agreed that Utah Fuel Company would not need to respond until July 2nd.

We appreciate your cooperation in granting this extension.

Sincerely,

Keith W. Zobell  
Environmental Engineer
