Salt Lake City, Utah 84180-1203

Dear Mr. ~~Hedberg~~ ^{Wayne} Hedberg:

Re: Conditional Approval of PAP Amendment, Enlargement of Portal
Area Sediment Pond/Decant Modification

This modification was completed during the week of September 20-25. We are enclosing the additional 10 copies of (1) A stage discharge curve showing the 10 year-24 hour and the 100 year-24 hour storm events; (2) Map 3-43 (3.2.1-2) with revision; and (3) Map 3-43b (3.2.1-2B) with revision. We are unable to send 10 copies of Map 3-43a (3.2.1-2a) at this time as the mylar for this map is in Salt Lake City to make copies for the M&RP renewal submittal. We will send copies of 3-43a as soon as we get the mylar back.

If you need any additional information please let us know.

Sincerely,

Keith W. Zobell
Environmental Engineer
