Re: Coastal States Energy Co., for itself & in behalf  
of Mineral Resources  
Bond No. 96-53-82  
Reclamation Performance Bond \$1,850,500.

We have been in-formed that our bond has been replaced by another Surety.

The "anniversary" of this bond was June 19, 1987 and the new  
bond was to have replaced our bond on that date.

We would appreciate your confirming that liability on our bond terminated on  
the above date.

If you are unable to do so due to replacement, this letter is to serve as our  
notice of cancellation on our bond after the expiration of \_\_\_\_\_ days from  
your receipt of this request, or the proper number of days as required by  
your regulations.

A handwritten signature in black ink, appearing to read 'R. Still', is written over the text of the letter.

Robert Still  
Assistant Secretary
