RE: CONFIDENTIAL PORTIONS OF SKYLINE M&amp;RP RENEWAL

Dear Mr. Braxton:

The following information is submitted in response to a request by members of your staff that we identify those portions of the February 29, 1987 Skyline M&RP renewal that are classified confidential, and that we make provisions to separate those sections from the M&RP.

The following pages and plates should be considered confidential and should be removed from the M&RP:

Section 2.2.7 (part of page 2-11 and all of pages 2-12, 2-13, and 2-14)

Plates 2.2.7-1, 2.2.7-2, 2.2.7-3, 2.2.7-4, 2.2.7-5, and 2.2.7-6.

Page 3-12

For your convenience, fourteen (14) new binders have been provided in which the confidential material may be placed. Also, replacement pages identifying the action taken, have been provided to insert in the main document. Since Section 2.2.7 starts in the middle of a page (page 2-11), separate pages have been provided for each document.

If you have questions, please call Keith Welch.

Sincerely yours,

Vernal J. Mortensen  
 Senior Vice President
