Dear Mr. Mortensen:

Re: Five Year Permit Renewal, Coastal States Energy Company,
Skyline Mine, ACT/007/005, Carbon County, Utah

I appreciate the opportunity afforded my staff in meeting with John Garr, Keith Welch, and Keith Zobell on April 28, 1987, to discuss resolution of the issues requisite to issuance of a five year MRP for the Skyline Mine. While at the conclusion of the meeting a few matters remained to be resolved, and resubmitted many of the the deficiencies enumerated in my letter of April 13, 1987, are now satisfactorily addressed, or a basis for addressing them was established in this meeting. The Division appreciates the commitment of your representatives to the permit renewal process, and anticipates formal issuance of a renewed permit pending resolution of these remaining issues.

Sincerely,

L. P. Braxton
