Re: M&RP Permit Amendment Breakout in South Fork of Eccles Creek,
Mine #1

Dear Mr. Braxton:

In our July 18, 1988 submittal for the permit amendment for the breakout in the South Fork of Eccles Creek, we indicated that we had not received the write-up for the archaeological survey for the area. We have now received the write-up and are attaching eight copies for the review process.

Sincerely,

Glen A. Zumwalt
Vice-President/General Manager
