Dear Mr. Zobell:

Re: Cessation Order C88-15-1-1, Skyline Mine, ACT/007/005, Carbon County, Utah

Our telephone conversation of November 2, 1988 substantiated that a Division file memo from Rick P. Summers to Susan C. Linner, dated October 17, 1988 enumerated terms for the termination of the above noted cessation order as referenced in my October 27, 1988 cover letter.

You indicated that the file memo was not included with the certified delivery of the Termination Notice, and I have verified that that is the case. On this basis, response to the Division by November 4th, meeting the conditions enumerated in the October 17 file memo does not appear to be a reasonable expectation on the part of DOGM. You suggested extension of delivery to November 14, 1988 and I agree to this extension. The October 17, 1988 file memo is enclosed.

Sincerely,

Lowell P. Braxton
