RE: South Fork Breakout As-builts, Skyline Mine, ACT/007/005,
Folder #2, Carbon County, Utah

Summary:

The above referenced plans received on January 30, 1989 have been reviewed. The plan is considered adequate.

Analysis

In response to the proposed he MRP revision, appropriate pages have been revised to incorporate site specific plans for wildlife mitigation and revegetation. Other portions of the plan were revised to reference appropriate studies, tables, plans, etc. to demonstrate compliance with the appropriate regulations. All text changes and cross references were checked for biological resources and found to be adequate. No further information is required.
