CERTIFIED RETURN RECEIPT REQUESTED  
No. P 075 063 308

Mr. Robert H. Hagen, Director  
Albuquerque Field Office  
Office of Surface Mining  
Reclamation and Enforcement  
Suite 310, Silver Square  
625 Silver Avenue, S.W.  
Albuquerque, New Mexico 87102

Dear Mr. Hagen:

Re: TDN X90-02-107-5-TV1, Skyline Mine, ACT/007/005, Utah Fuel Company, Carbon County, Utah

The above-referenced TDN was written "for failure to comply with the requirement to obtain a permit before engaging in or carrying out coal mining and reclamation operations (R614-300-112.400)... the outslope of the pad east of Special Exempt Area No. 6 ..... as depicted on the mine surface facilities, Plot Drawing No. 3.2.1-1."

Response: The above-referenced map notwithstanding, the operator does have a permit to conduct operations, the area in question being referenced on Map 4.4.2.1-A. On that basis, TDN X90-02-107-5-TV1 should be withdrawn.

Sincerely,

Lowell P. Braxton  
Associate Director, Mining
