Dear Mr. Zumwalt:

Re: Conditional Approval, Coal Stacking Tube and Reclaim Amendment,  
Coastal States Energy Company, Skyline Mine, ACT/007/005-90A,  
Folder #3, Carbon County, Utah

The Division has completed review of your March 6 and April 27, 1990 submittals regarding the above-referenced amendment.

Approval to commence construction of the new coal facilities is hereby given, provided that the construction is limited to area that is currently disturbed. No new disturbance will be allowed until the deficiencies outlined in the following memos are addressed.

Please address the deficiencies and submit a revised reclamation agreement to the Division by June 15, 1990.

If you have any questions please call Randy Harden or me.

Sincerely,

Daron Haddock  
Permit Supervisor
