Dear Carter:

Re: Temporary coal stockpile, Skyline Mine, ACT/007/005 #12

I am sending you a copy of an amendment to the Skyline Mining and Reclamation Plan as we discussed over the phone on October 4, 1990. It appears that the mine is in immediate need of this amendment to be approved in as much as their coal storage space is limited. The Division has reviewed this amendment and feels it is approvable with conditions (See attached Memos).

We would like your concurrence prior to issuing an approval. Your prompt review would be greatly appreciated.

Sincerely;
