RE: Coal Stockpile Amendment, Utah Fuel Company, Skyline Mine, ACT/007/005,
Folder #2, Carbon County, Utah

Dear Lowell:

We reviewed the subject amendment. The operator has adequately addressed our concerns on the stacking tube and open coal stockpile.

We hereby consent to the amendment which involves the new stacking tube, north coal stockpile, south emergency only pile area, and protection of the canyon slopes adjacent to the north stockpile.

If you have any questions, please contact us at the Forest Supervisor's Office in Price, Utah.

Sincerely,

George A. Morris
