Subject: Overland Coal Conveyor Addendum to the PHC
Skyline Mines, Utah Fuel Company

Dear Rick:

On behalf of Utah Fuel Company, we are pleased to submit one copy of the overland coal conveyor addendum. The addendum addresses the concerns that we discussed in our phone conversation on April 9, 1992.

This addendum is designed to be directly inserted into the present PHC, replacing the same numbered pages.

I would appreciate the opportunity to answer any questions that you may have concerning the overland coal conveyor addendum. Please feel free to contact me.

Sincerely,

Mindy Rosseland
Geochemist
