Dear Mr. Helfrich:

**RE: Proposed Assessment for State Violation No.  
N92-37-3-1, Utah Fuel Company, Skyline Mine,  
ACT/007/005, Carbon County, Utah**

We have reviewed the proposed assessment for NOV N92-37-3-1 and, based on errors in the inspectors statement, feel that the points assessed were unreasonably high. We are, therefore, requesting an Assessment Conference to review these findings with you. At issue is the proposed penalty assessment and not the fact of violation.

Sincerely,

  
Glen A. Zumwalt  
Vice President/General Manager
