Dear Mr. Braxton: *Lowell*

Pursuant to your discussion with Kerry Frame June 23rd, we will meet with you and your staff in your office Wednesday, July 8th at 10:00 a.m. The purpose of the meeting will be to review the basis upon which the Division recalculated our required reclamation bond in comparison with a SUFCO-calculated reclamation cost estimate. In addition, we wish to discuss the deficiencies outlined in your technical deficiency review document for further clarification.

I understand you are willing to extend the required bond submittal date to July 23rd pending the results of our July 8th meeting. Thank you for this consideration.
