Re: SUFCo and Skyline Mining and Reclamation Permits (ACT/007/002 and ACT/007/005)

Dear Lowell:

As we discussed by telephone, Coastal States Energy Company desires to have amended the Special Permit Stipulations (Attachments A-1) attached to the SUFCo and Skyline mining and reclamation permits. Enclosed herewith is a revised stipulation acceptable to Coastal which Coastal requests replace those stipulations attached to the permits.

The ongoing negotiations between Coastal and OSM representatives with respect to the listed outstanding violations supports the requested change in the stipulations.

Very truly yours,

Kevin L. Yocum
Assistant Secretary
