DIVISION OF
OIL GAS & MINING

Mr. Daron Haddock, Permit Supervisor
Division of Oil, Gas and Mining
355 West North Temple
3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203

Dear Daron:

RE: ABATEMENT FOR NOV N92-37-5-1, N92-37-6-1, N92-37-1

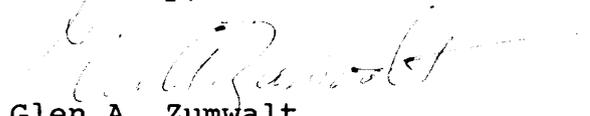

We submitted fourteen copies of an updated map 3.2.1-3 with a permit amendment for the RRLO open coal storage area. New calculations for DD-8, 9, 10 and 11, and a concrete section of DD-9 were also included with the permit amendment. SW-10 has been eliminated and should be removed from your Vol. 5. These changes should meet the abatement for item #2 of NOV N92-37-5-1. Item #1 of this NOV has also been accomplished.

Step 1 of NOV N92-37-6-1 was accomplished on 9-2-92. While Step 2 was complied with immediately upon receipt of the NOV. Steps 3 and 4 are in progress.

Items 1 and 2 of NOV 92-37-7-1 are abated on the revised map 3.2.1-3 and on page 3-27 of the M&RP.

If you need any additional information, please contact Keith Zobell.

Sincerely,

Glen A. Zumwalt
Vice President/General Manager
