Dear Mr. Haddock:

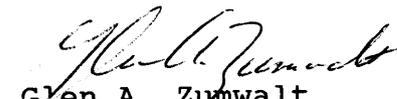

RE: NOV N92-37-6-1

Utah Fuel would like to request an extension for abatement of NOV N92-37-6-1, until November 6, 1992.

There has been considerable progress on abatement, but due to design changes the construction was delayed, which in turn delayed some of the reclamation activities.

If you require further information, please contact either Keith Zobell or Robert Handford.

Sincerely,

Glen A. Zumwalt
Vice President/General Manager
